

# ELITE CAMP & TRYOUTS CD TENERIFE

SUMMER 25

# **CD TENERIFE**

## UNLEASH THE PLAYER INSIDE YOU

CD Tenerife operates its own high-performance football academy with a comprehensive program designed to propel young talents toward professionalism. Our mission is to provide each player with access to exceptional resources and opportunities, fostering the development of their maximum potential both on and off the pitch.

Through our Elite Camps and CD Tenerife Tryouts, we seek to discover and nurture the next generation of elite footballers, guiding them on their path to becoming professionals.

CD Tenerife is a historic club in Spanish football, with over 100 years of history and a highly reputable trajectory, having played in 37 of the last 40 seasons between the First and Second Division and even participating in European competitions (UEFA), reaching the semifinals in one occasion.

The youth academy has historically been one of our main identifying features. This season, the first reserve team (CD Tenerife B) participated in 2ªRFEF (Spanish 4th division), the first women's team has achieved promotion to 1ªRFEF (Spanish Womens' 2nd division), and the Under-19 team qualified for the Copa del Rey and participated as one of the eight best teams in the country in the Spanish Champions Cup.

Competing at these high levels helps our young prospects enhance and develop their talent as future footballers for our first teams.
